

J M MARINE SERVICES LLP

A leading foreign trade company in the field of Marine Engines and Spare Parts in India for over a decade. Since inception we have grown in strength, ability and procurement network to become the most reliable stockiest and supplier for marine machinery spares and refurbished auxiliary equipment.

Our extensive network and ability to procure directly from the ship recycling yards across the globe, and with the support of well-established service workshops and stringent due diligence by our experienced team has empowered us to deliver satisfactory and reliable quality in terms of supplies and service at reasonable costs.

Kaizen- a Japanese business philosophy of continuous improvement of working practices, personal efficiency, improvisation has been our motto right from the word go, which has not only earned us respect and recognition as an ethical enterprise but also helped us add value to the relationships that we have built over the years which has benefited us in all our efforts of client retention.

We have been catering to Ship Owners, ship management companies and traders worldwide.

PRODUCT / ENGINE

CYLINDER HEAD,
